

Science Enrichment Opportunities

- <http://www.sciencekids.co.nz/gamesactivities.html>

Respond to the game/activity that you have completed visually and in a paragraph of 7-10 sentences.

<http://interactivesites.weebly.com/science.html>

Respond to the game/activity that you have completed visually and in a paragraph of 7-10 sentences.

- Create a “Science Fair” type project that you will present to the class. This does not have to a grade 7 topic.
- Prepare a scientific demonstration or experiment to show the class. Submit a lab report along with your presentation.
